

21st Century Scholars Online Application Worksheet

Overview

Indiana's 21st Century Scholars program began in 1990 to ensure that every Hoosier student can afford the opportunity provided by a college degree. Today, eligible students who keep the Scholar Pledge to excellence in school and life receive a Scholarship to help pay for their college education.

Indiana's 21st Century Scholars program offers income-eligible Hoosier students up to four years of paid tuition at an eligible Indiana college or university after they graduate from high school, dependent upon financial need. In middle and high school, 21st Century Scholars are connected to programs and resources to help them stay on track for college and career success. Once in college, Scholars receive support to complete their college degrees and connect to career opportunities.
