What is 21st Century Scholars?

The 21st Century Scholars program was established in 1990 to increase students' aspirations for and access to higher education. The Scholars Program provides income-eligible students the opportunity to earn a scholarship that covers up to four years of tuition and regularly assessed fees.

21st Century Scholars supports eligible students and parents with the tools they need to prepare for college, graduate on time and begin a successful career.

The scholarship is awarded on an annual basis. Scholars are provided resources and assistance to help them plan and prepare for college and pay for expenses not covered by their scholarship. The scholarship does not cover the cost of books or room and board.

Visit Scholars.IN.gov/eligiblecolleges for a list of approved colleges.
